TABLE OF CONTENTS

List of Figures	**viii**
List of Tables	**ix**
Acknowledgements	**x**
Abstract	**xi**
Ethical Clearance	**xv**
Dedication	**xvi**
List of Abbreviations	**xvii**
Glossary	**xix**
Declaration	**ix**
Chapter 1	
1.1 Background	**1**
1.2 Literature Review	**5**
1.3 Health Services offered in informal settlement Health Care Facilities	**10**
1.4 Motivation for Study	**11**
1.5 HIV infection and the EDL	**13**
1.6 ARV Drugs and the EDL	**14**
1.7 Study Aim and Objectives	**19**

1.7.1 Overall Aim	**19**
1.7.2 Specific Objectives	**19**
Chapter 2	
2.1 Introduction	**20**
2.2 Study Site Description	**22**
2.3 Methods	**26**
2.4 Study Design	**28**
2.5 Sample Determination	**29**
2.6 Results Analysis	**30**
2.6.1 Analysis of Demographic Patterns of Informal Settlements Health Care Facilities	**30**
2.6.2 Analysis of EDL Compliance by Health Care Professionals	**31**
2.6.3 Analysis of Commonly Occurring Conditions	**31**
2.6.4 Analysis of Commonly Prescribed Drugs	**32**
2.7 Limitations of the Study	**32**
2.7.1 Selection Bias	**32**
2.7.2 Patient Mobility	**32**
2.7.3 Health Service Organization	**33**

Chapter 3	
3.1 Introduction	**34**
3.2 Results	**34**
3.3 Discussion and Conclusions	**38**
Chapter 4	
4.1 Introduction	**40**
4.2 Results	**41**
4.2.1 Analysis of Proportions of Patients Consulted Different Health Care Professionals	**41**
4.2.2 Analysis of Drugs Prescribed by Different Health Care Professionals	**42**
4.2.2.1 Paracetamol	**43**
4.2.2.2Hydrochlorothiazide	**43**
4.2.2.3 Pen VK	**44**
4.3 Discussion and Conclusions	**44**
Chapter 5	
5.1 Introduction	**46**
5.2 Results	**47**
5.3 Discussion and Conclusions	**51**
Chapter 6	

6.1 Introduction	**52**
6.2 Results	**52**
6.2.1 Analysis of Prescription by Generic Name and According to the EDL	**52**
6.2.2 Analysis of Commonly Prescribed Drugs	**53**
6.2.3 Analysis of Prescribed Drugs by Symptoms or Disease Condition	**55**
6.3 Discussion and Conclusions	**61**
Chapter 7	
7.1 Introduction	**64**
7.2 Demographics of Informal Settlements Health Care Clients	**64**
7.3 Staffing of Primary Health Care Facilities	**66**
7.4 Disease Profiles in Informal Settlements Health Care Facilities	**67**
7.5 Prescription Patterns of Health Care Professionals	**71**
7.6 Discussion and Conclusions	**71**
7.7 Recommendations	**73**
Appendix 1	**74**

Appendix 2	**75**
Appendix 3	**76**
Appendix 4	**77**
Appendix 5	**78**
Appendix 6	**79**
Bibliography	**80**
Index	**86**
