Dear Mrs.Chirwa,

**RE: P.08/11/1118 - Modeling Longitudinal Child Growth data from an African Setting version 1 dated 25th September 2011**

I write to inform you that COMREC reviewed your proposal mentioned above which you resubmitted for expedited review. The following points have been dealt with:

- Page numbers have been added
- Version number and date to protocol and consent forms has been added

I am pleased to inform you that your protocol **was approved** after considering that you addressed all the queries raised in the initial review.

As you proceed with the implementation of your study we would like you to adhere the amended protocol ICH GCP requirements and the College of Medicine Research requirements as indicated on the attached page.

Yours sincerely,

Dr. W. Mandala
