**Chapter 1  Introduction**

- The need to improve teacher education in Botswana                      1
- The BEd (primary) programme of the University of Botswana               3
- Profiles of the bachelor (primary) education students                   3
- Statement of the problem                                                4
- Argument                                                               5
- Significance                                                           6
- Organization of the study                                              7

**Chapter 2  University degrees and the workplace: A theoretical review**

- Introduction                                                           11
- Conceptions of degrees                                                 11
- The nature of university degree programmes and curriculum design issues 13
- Globalization and the labour market                                    20
- Theories of education and the labour market                            21
- Conclusion and the conceptual framework                                26
- Theoretical framework                                                  27

**Chapter 3  Research design and methodology**

- Introduction                                                           31
- Research approach                                                      31
- Research design                                                        32
- Sampling                                                               35
Chapter 4  Contextual issues

Introduction
The education system before the introduction of the BEd
The school environment
Globalization and pressures in the schooling system
The bachelor of education programme of the University of Botswana
Profiles of the BEd primary students
Conclusion

Chapter 5  Policy and the legislative framework

Introduction
Teacher education reform
Teacher education policy
Assumption about the policy
Conclusion

Chapter 6  How different are professional degrees in education: The case of the BEd degree at the University of Botswana

Introduction
The professional BEd degree
Graduates’ experiences and perceptions of the BEd degree
Conclusion

Chapter 7  Career choices and preferences of the graduates

Introduction
Graduates’ work experiences before the degree
Graduates’ expectations and preferences with the degree
Conclusion
Chapter 8  Graduates’ whereabouts after completion of the degree
   Introduction  79
   Graduates’ experiences after completion of the degree  79
   Conclusion  87

Chapter 9  Conclusions and recommendations  89
