RESEARCH INTO LEARNER’S CONCEPTIONS

Re: Request to interview a learner in a research project

Dear parent

Please be informed that your child _____________________ has been selected to participate in a research. This research is school based and learners will play an important role in it as participants. It is focused on subject and pedagogic issues pertinent to secondary education (upper GET and FET bands). This letter serves to request your permission for this purpose. Please note that the name of the learner will be protected and will not be quoted in the final report. This research will be conducted during school hours.

Hoping you find the above in order

Yours truly

Nkopane F L
