

Research Assistant Confidentiality Agreement

Sexual Behaviors of circumcised men in a private practice in Alexandra

Research Assistant Confidentiality Agreement

I recognise that in carrying out my assigned duties as a Research Assistant for this study, I may obtain access to private information about the persons in this study that was provided with the assumption of confidentiality. I understand that I am prohibited from disclosing or otherwise releasing any personally identifying information, either directly or indirectly, about any individual in the study. If I am responsible for any breach of confidentiality, I understand that civil and/or criminal penalties may be brought against me. I acknowledge that my responsibility to ensure the privacy of protected health information contained in any electronic records, paper documents, or verbal communications to which I may gain access shall not expire, even after my employment or affiliation with this study has terminated.

By my signature, I acknowledge that I have read, understand and agree to comply with the terms and conditions of this Confidentiality Agreement.
