Figure 18 Selection of options for reuse key

- **Is wastewater reclamation the only option available?**
  - No: No Project
  - Yes:
    - **Non-Potable reuse?**
      - Yes: High quality reclamation – supply to sensitive industrial processes
      - No: Low quality reclamation – irrigation, landscaping
    - **Potable reuse?**
      - Yes: Indirect Reuse
      - No: Direct Reuse

**Indirect Reuse**
- Surface water storage – Dams
  - **OPTION 1**

**Direct Reuse**
- Groundwater recharge
  - **OPTION 2**
- Reclamation of water effluent after secondary treatment at Gaborone Wastewater treatment plant
  - **OPTION 3**
- Reclamation of water before treatment at Gaborone Wastewater treatment plant
  - **OPTION 4**

Future options to be explored

Options covered by this project
