RE: Completion of corrections to PhD thesis – Stella Iacovides

I have reviewed the corrections Stella Iacovides made to her PhD thesis entitled, "The impact of primary dysmenorrhoea on pain perception, quality of life and sleep in young healthy women", and I am satisfied that she has adequately addressed all the issues raised by her examiners, and that the Faculty may award her the degree.

Yours sincerely

A handwritten signature in black ink, appearing to be 'P. Kamerman', with a stylized flourish at the end.

Peter Kamerman

ASSOCIATE PROFESSOR

POSTGRADUATE STUDIES CO-ORDINATOR: SCHOOL OF PHYSIOLOGY
