PARENTAL PERCEPTIONS AND EXPERIENCE OF REHABILITATION SERVICES FOR CHILDREN WITH CEREBRAL PALSY IN POORLY RESOURCED AREAS IN LIMPOPO PROVINCE.

1. Permission is hereby granted to Ms Saloojee to conduct a study on “Parental perceptions and experience of rehabilitation services for children with cerebral palsy in poorly resourced areas.”

2. The Department of Health & Welfare needs a copy of the research findings for its own resource centre.

3. The researcher should be prepared to assist in interpretation and implementation of the recommendations where possible.

4. Implications: Your presence should be reported to institutional management to do research.

Sincerely,

HEAD OF DEPARTMENT
DEPARTMENT OF HEALTH & WELFARE
