A motion at third reading to postpone part of the Bill comes too late 2300

Select Committee—Before discussing their report, Mr. Alberts should wait till it is before the House 2301

Dutch Reformed Church Bill

A member may not refer to a petition which is not in order 1057

On consideration of Senate's amendments—a consequential amendment is in order 2331

East Coast Fever Guards

Motion to adjourn the House—the motion is not of "urgent public importance" 1252

Education Circular

Discussion of subjects under the scope of Provincial Councils is "inconvenient and out of order" 235

On motion "That the question be now put"—discussion may continue 244

Speaker, Mr.—*contd.*

Education Question

Mr. Fremantle—a member may not vote for one report, and then sign another 2767

Select Committee's minutes altered—Mr. Fremantle's complaint is well-grounded 2805

Education Reports

Only when reports are short are they read 2637

Estimates, 1911

The reading of a newspaper report of the Budget speech is out of order 531

A member may not discuss a subject which is down on the paper for discussion until that order is before the House 531

That is to say, he may not anticipate his motion 531

An explanation is not a point of order 583

Natal Poll Tax—This has already been debated, and further discussion is out of order 613

Estimates, 1912

A member may not refer to a matter which was debated yesterday 1998

An Ostriches Bill being before the House, the subject cannot be discussed on the Estimates 2022

Exchequer and Audit Bill

The audit of accounts—Clauses 12 and 14 cannot be discussed till the Senate has returned the Powers of Parlt. Bill 2466

The Powers of Parlt. Bill having been amended by the Senate, Clauses 12 and 14 may now be discussed 2602

Explosives Bill

Mr. Creswell may only speak to the Senate's amendments 2305

Hansard

Leave to confer with Senate 380

Questions may not be put to the Speaker 1084
