## *APPENDIX 1: RESPONDENTS' BACKGROUND CHARACTERISTICS*

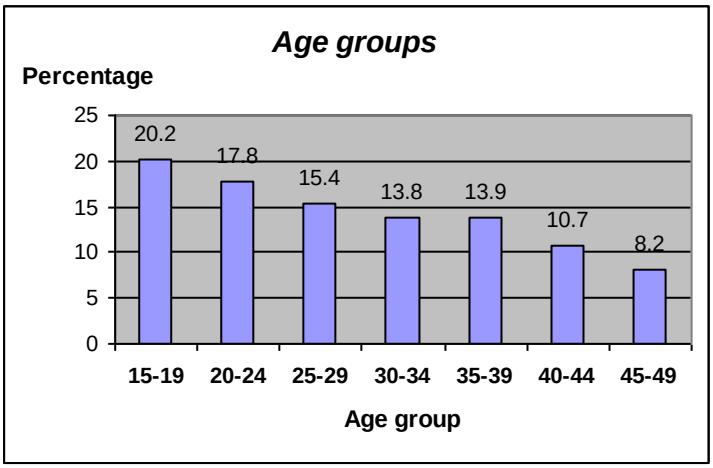

**Figure 4.5: Age group**
Figure 4.5 is a distribution of age groups of the respondents.

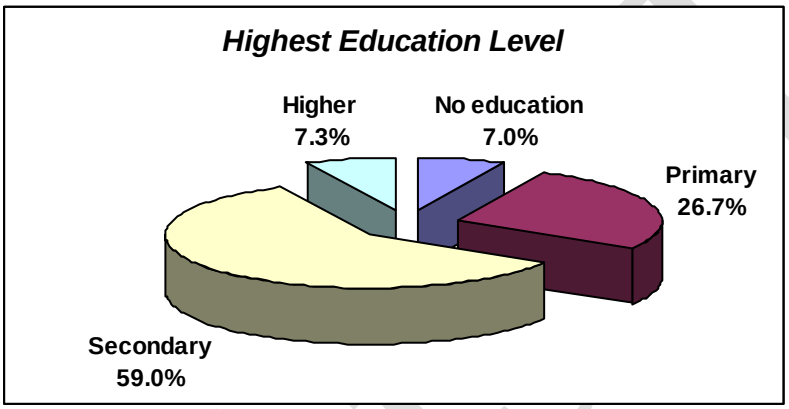

**Figure 4.6: Highest education level**
Figure 4.6 is a distribution of the respondent's highest education level.

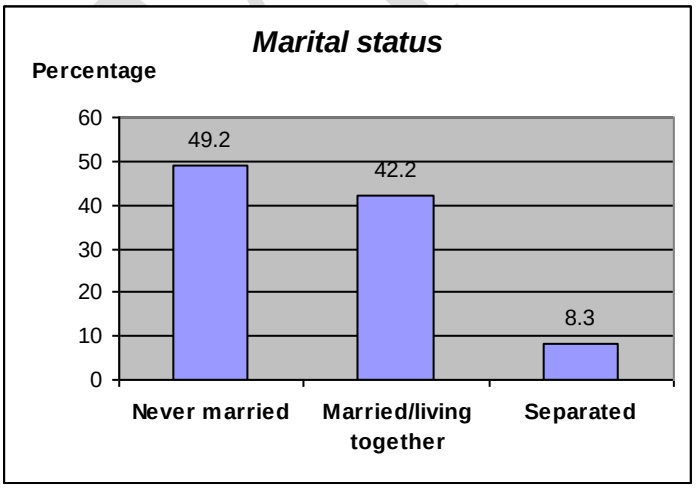

**Figure 4.7: Marital status**
Figure 4.7 shows the distribution of respondents by their marital status.

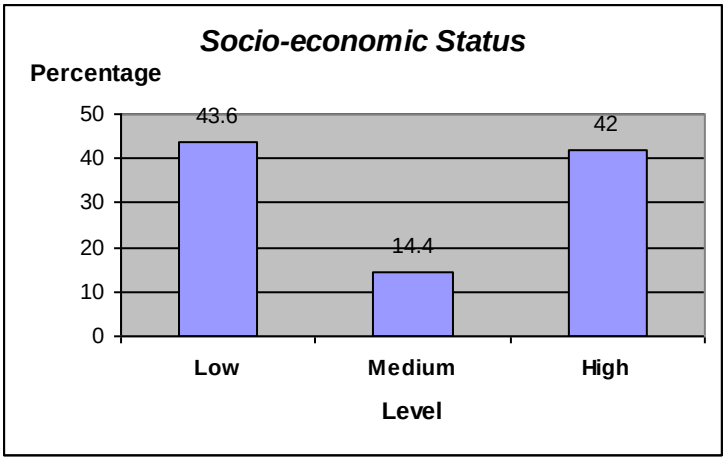

**Figure 4.8: Socio-economic Status**

Figure 4.8 shows a distribution of the respondent's household socioeconomic status.

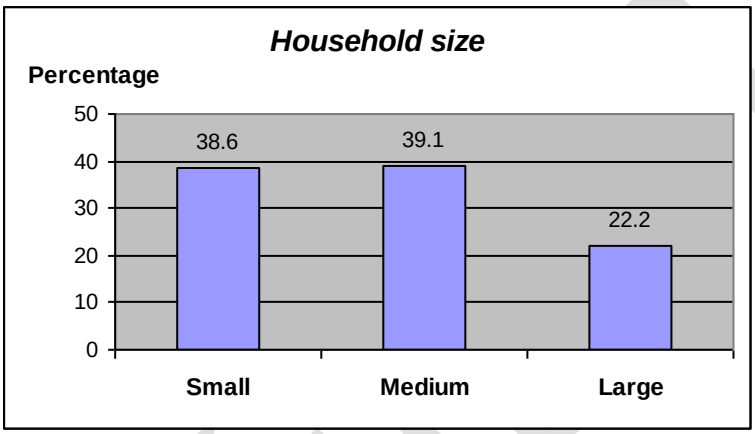

**Figure 4.9 Household size**

Figure 4.9 shows the distribution of respondents by household size.

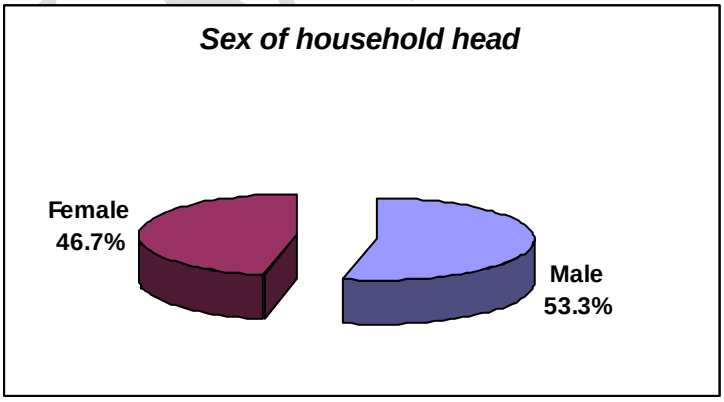

**Figure 4.10 Sex of household head**

Figure 4.10 shows the distribution of respondents by sex of household head.

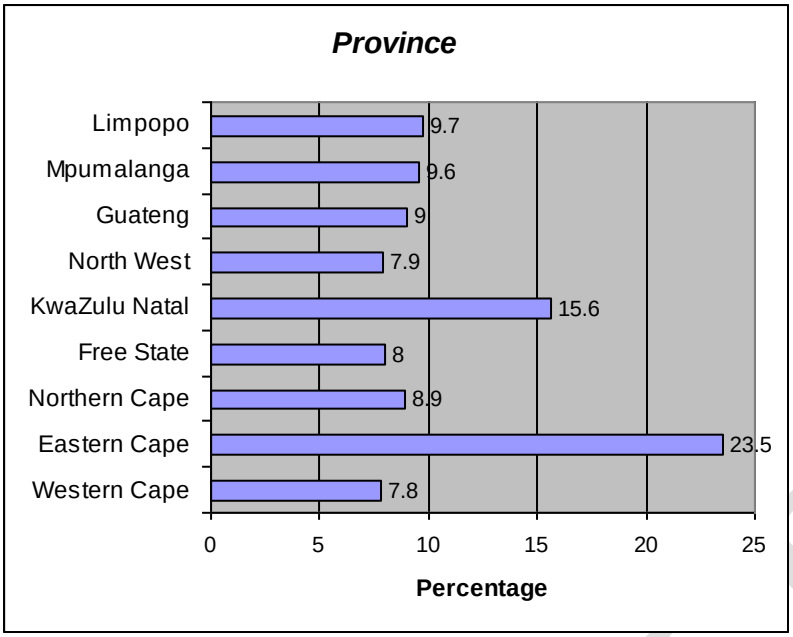

**Figure 4.11 Province**

Figure 4.11 shows a distribution of the regions the respondents come from.

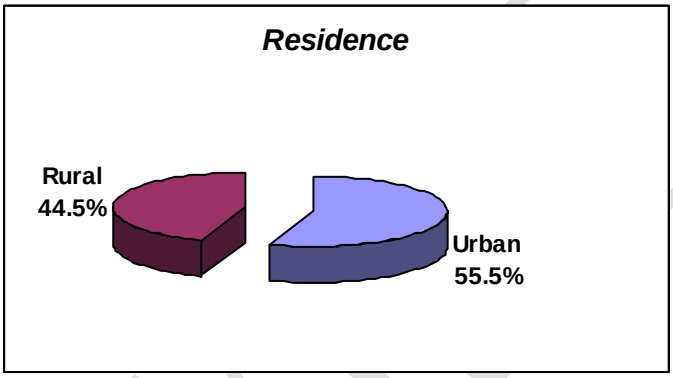

**Figure 4.12 Residence**

Figure 4.12 above shows the distribution of respondents by their residence.

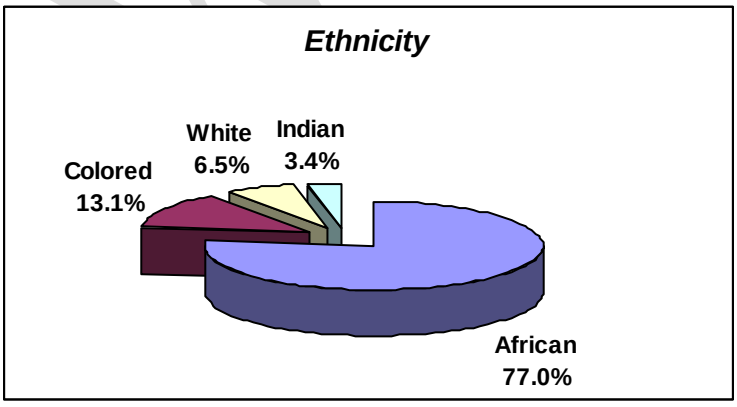

**Figure 4.13 Ethnicity**

Figure 4.13 above shows the distribution of respondents by their ethnic grouping.
