#	Variable / Field Name	Field Label <i>Field Note</i>	Field Attributes (Field Type, Validation, Choices, Calculations, etc.)																		
Instrument: contact sheet (contact_sheet)																					
1	[hdss_id]	Agincourt HDSS study number	text, Identifier																		
2	[v_id]	Section Header: <i>Household Identification</i> Village Number	text (integer), Identifier																		
3	[v_anon_id]	Village Code	text (alpha_only), Identifier																		
4	[hh_id]	Household Number	text, Identifier																		
5	[hh_anon_id]	Household Code	text (alpha_only), Identifier																		
6	[hh_name]	Head of Household First Name	text, Identifier																		
7	[hh_surname]	Head of Household Surname	text, Identifier																		
8	[arkp1_hh_perm]	Permission granted from the head of the household	radio <table><tr><td>0</td><td>no</td></tr><tr><td>1</td><td>yes</td></tr></table>	0	no	1	yes														
0	no																				
1	yes																				
9	[arkp1_hh_no] Show the field ONLY if: [arkp1_hh_perm] = '0'	why was permission not granted?	radio <table><tr><td>5</td><td>this is a refusal</td></tr><tr><td>0</td><td>there was no one at home</td></tr><tr><td>1</td><td>the household head was not at home</td></tr><tr><td>2</td><td>the household head did not want a family member to participate</td></tr><tr><td>3</td><td>the fieldworker was told to come back</td></tr><tr><td>4</td><td>other</td></tr></table>	5	this is a refusal	0	there was no one at home	1	the household head was not at home	2	the household head did not want a family member to participate	3	the fieldworker was told to come back	4	other						
5	this is a refusal																				
0	there was no one at home																				
1	the household head was not at home																				
2	the household head did not want a family member to participate																				
3	the fieldworker was told to come back																				
4	other																				
10	[arkp1_ref_reason] Show the field ONLY if: [arkp1_hh_no] = '5'	what is the reason for the refusal	notes																		
11	[hh_no] Show the field ONLY if: [arkp1_hh_perm] = '0'	Add details for reason permission not obtained from household head	text																		
12	[arkp1_date]	Date of household visit	text (date_dmy, Min: 2017-10-22), Required																		
13	[arkp1_meet]	Section Header: <i>Participant Identification</i> Were you able to meet the potential participant?	yesno <table><tr><td>1</td><td>Yes</td></tr><tr><td>0</td><td>No</td></tr></table>	1	Yes	0	No														
1	Yes																				
0	No																				
14	[arkp1_meet_no] Show the field ONLY if: [arkp1_meet] = '0'	Why did you not meet the potential participant?	dropdown <table><tr><td>0</td><td>there was no-one at home</td></tr><tr><td>1</td><td>they live in the house but were not there at the time of the visit</td></tr><tr><td>2</td><td>they have left the house and are living in a different village of BBR</td></tr><tr><td>3</td><td>they have left the house and are living outside of BBR, in South Africa</td></tr><tr><td>4</td><td>they have left the house and are living outside of South Africa</td></tr><tr><td>5</td><td>they have informed the family that they do not wish to be a part of the study</td></tr><tr><td>6</td><td>they are deceased</td></tr><tr><td>7</td><td>the family does not know where they are</td></tr><tr><td>8</td><td>other</td></tr></table>	0	there was no-one at home	1	they live in the house but were not there at the time of the visit	2	they have left the house and are living in a different village of BBR	3	they have left the house and are living outside of BBR, in South Africa	4	they have left the house and are living outside of South Africa	5	they have informed the family that they do not wish to be a part of the study	6	they are deceased	7	the family does not know where they are	8	other
0	there was no-one at home																				
1	they live in the house but were not there at the time of the visit																				
2	they have left the house and are living in a different village of BBR																				
3	they have left the house and are living outside of BBR, in South Africa																				
4	they have left the house and are living outside of South Africa																				
5	they have informed the family that they do not wish to be a part of the study																				
6	they are deceased																				
7	the family does not know where they are																				
8	other																				
15	[arkp1_meet_no_appointment] Show the field ONLY if: [arkp1_meet] = '0'	If they can participate in the the study, what arrangements have you made to meet them?	notes																		
16	[arkp1_name]	Participant First Name	text, Identifier																		
17	[arkp1_surname]	Participant Surname	text, Identifier																		

18	[arkp1_dob]	Date of birth	text (date_dmy, Min: 1937-10-01), Identifier						
19	[arkp1_age]	age	calc Calculation: rounddown(datediff([arkp1_date], [arkp1_dob], "y", "dmy"), 0)						
20	[arkp1_sex]	Gender	radio, Identifier <table border="1"> <tr><td>1</td><td>Male</td></tr> <tr><td>2</td><td>Female</td></tr> </table>	1	Male	2	Female		
1	Male								
2	Female								
21	[arkp1_id]	Confirm if correct participant	yesno, Required <table border="1"> <tr><td>1</td><td>Yes</td></tr> <tr><td>0</td><td>No</td></tr> </table>	1	Yes	0	No		
1	Yes								
0	No								
22	[arkp1_wic]	Confirm that the participant has signed the informed consent form	yesno, Required <table border="1"> <tr><td>1</td><td>Yes</td></tr> <tr><td>0</td><td>No</td></tr> </table> Field Annotation: @BARCODE-APP	1	Yes	0	No		
1	Yes								
0	No
