DECLARATION

I declare that this Research Report is my own independent effort and has not been presented for any other degree at an alternative academic institution. It is submitted in partial fulfillment for the degree of Masters in Development Studies, by Coursework and Research Report.

Talent. C Mavunganidze

18th day of February 2008

ACKNOWLEDGEMENTS

I would like to acknowledge the following people for their contributions, encouragement and support during the development of this research report;

My Academic supervisor, Prof R. Thornton, for his support, contributions and constructive guidance and inspiration is highly appreciated.

Research staff members in the Development Studies and Sociology Departments for their assistance and contributions.

Fellow Development studies postgraduate students for their constructive criticisms.

My husband Pururudzai for the financial and emotional support; encouragement and understanding.

Thank you all for the unfailing belief in me and this research report.

TABLE OF CONTENTS

Pages

Abstract……i

Declaration……ii

Acknowledgements……iii

Contents Page……iv

List of Tables……vii

Chapter One- Introduction……1

1.1 Basic Overview……1

1.1.1 Research Aims……3

1.1.2 Research Questions……3

1.2 Definition of Key Concepts……4

1.3 Significance……8

Chapter Two- Literature Review……12

2.1 Literature Review and Theoretical Framework……12

Chapter Three- Methodology……22

3.1 Introduction……22

3.1.1 Sample……22

3.1.2 Sampling Techniques……23

3.1.3 Data Collecting Strategies……23

3.1.4 Data Analysis……24

3.1.5 Ethics Appraisal……25

Chapter Four- Results……..26

4.1 Introduction- Case Study……26

4.1.1 Historical Background of the Marange Apostolic church……..26

4.1.2 Social structure of the Marange Apostolic community……27

4.1.3 Geographical location……..29

4.1.4 Environment……29

4.1.5 Economy……..30

4.2 Research Findings……32

4.2.1 Type of Sexual Networks in Marange Apostolic Community……32

4.2.1.1 Clustered sub-sexual network structure……33

4.2.1.2 Randomized, Multiply-interlinked sexual network structure……..37

4.3 Determinants of the Change in Sexual Networks:

Economic Determinants……41

4.3.1 Economic Challenges……41

4.3.2 Trade Networks……44

4.3.3 Diamond trade network……..46

4.3.4 Communication Networks……49

4.4 Social and Cultural Determinants……50

4.4.1 Property Ownership……50

4.4.2 Wife Inheritance……52

4.4.3 Religion……52

4.5 Environmental and Geographical determinants……53

4.6 Conclusion……54

Chapter Five……55

5.1 The Relationship between Sexual Networks and HIV……55

5.2 A Social Revolution in Marange Apostolic Community……..57

5.3 Impact of the Social Revolution on HIV transmission……58

5.4 Illegal Economies and HIV……59

5.5 Limitations of the Study……60

Chapter Six……62

6.1 Conclusion……62

6.2 Recommendations……62

References……64

Appendices……68

LIST OF TABLES **Pages**

Table 1: Types of Concurrency……5

Table 11: Types of Concurrent Relationships in Marange……6
