ACKNOWLEDGEMENTS……iii

ABSTRACT……...iv

CHAPTER ONE OVERVIEW OF THE STUDY

1.1 INTRODUCTION……1

1.2 BACKGROUND OF THE STUDY……..1

1.2.1 Preterm baby……6

1.2.1.1 Broken expectations of preterm birth experience.....7

1.3 PROBLEM STATEMENT…….....9

1.4 THE PURPOSE OF THE STUDY……10

1.5 RESEARCH OBJECTIVES…….....10

1.6 SIGNIFICANCE OF THE STUDY……...10

1.7 PARADIGMATIC PERSPECTIVES……10

1.7.1 Meta-theoretical assumptions……11

1.7.1.1 Person…….11

1.7.1.2 Environment……...11

1.7.1.3 Nursing……...12

1.7.1.4 Health……12

1.7.2 Theoretical assumptions…….12

1.7.2.1 Theories……..13

1.7.2.2 Theoretical definitions……...13

1.7.3 Methodological assumptions…….....15

1.8 METHODOLOGY……..16

1.8.1 Research design…….....17

1.8.2 Research method…….....17

1.9 TRUSTWORTHINESS……...19

1.10 ETHICAL CONSIDERATIONS…….....20

1.11 OUTLINE OF THE RESEARCH REPORT……21

1.12 SUMMARY……..21

CHAPTER TWO RESEARCH DESIGN AND METHODOLOGY

2.1 INTRODUCTION……..…….22

2.2 RESEARCH DESIGN…….....22

2.2.1 Qualitative …….22

2.2.2 Phenomenological……..23

2.2.2.1 Bracketing……..23

2.2.2.2 Intuition……..24

2.2.2.3 Analysis……..24

2.2.3 Contextual……..25

2.2.4 Explorative…….25

2.2.5 Descriptive…….25

2.3 RESEARCH METHOD…….....26

2.3.1 Study population……26

2.3.2 Sampling and selection of the participants…….....26

2.3.3 Appropriateness…….....27

2.3.4 Adequacy……...28

2.3.4.1 Saturation……...28

2.3.5 The setting……..30

2.3.6 Researcher's role……31

2.3.6.1 Gaining entry…….32

2.4 DATA COLLECTION…….....33

2.4.1 Bracketing phase……33

2.4.2 Interviewing phase…….34

2.4.3 Field notes……..35

2.5 DATA ANALYSIS……...35

2.6 TRUSTWORTHINESS……...37

2.6.1 Credibility……..37

2.6.1.1 Prolong engagement ……..37

2.6.1.2 Triangulation……..37

2.6.1.3 Peer debriefing…….....38

2.6.1.4 Member checking…….....38

2.6.1.5 Searching for Disconfirming Evidence……..39

2.6.1.6 Researcher's credibility…….40

2.6.2 Transferability……40

2.6.3 Dependability…….40

2.6.4 Confirmability……41

2.7 ETHICAL CONSIDERATIONS…….....41

2.7.1 Right to self determination…….41

2.7.2 Informed consent……...42

2.7.3 Anonymity and confidentiality…….42

2.7.4 Privacy……...43

2.7.5 Fair treatment…….43

2.7.6 Discomfort and harm……43

2.8 SUMMARY……..43

CHAPTER THREE PRESENTATION OF FINDINGS AND LITERATURE CONTROL

3.1 INTRODUCTION…….....45

3.2 INTERVIEW SETTING…….45

3.3 PARTICIPANTS…….....45

3.4 INTERVIEW PROCESS…….....47

3.5 THE DATA ANALYSIS …….....49

3.5.1 Transcription of data……..50

3.5.2 Steps of data analysis…….50

3.6 THEMES AND SUB-THEMES OBTAINED FROM DATA ANALYSIS…….....54

3.6.1 Theme One: "It is a bond between me and my child" …….....55

3.6.1.1 Sub-theme one: "I play and talk with him" …….55

3.6.1.2 Sub-theme two: "My baby is close to me"…….....59

3.6.1.3 Sub-theme three: "I give love to my child"……...62

3.6.1.4 Conclusion on theme "It is a bond between me and my child"….67

3.6.2 Theme Two: Nurse-parent interaction……..68

3.6.2.1 Sub-theme one: "They (nurses) taught us"……69

3.6.2.2 Sub-theme two: Partnership in care…….……..71

3.6.2.3 Conclusion on theme Nurse-parent interaction….....73

3.6.3 Theme Three: "It is tiring and exhaustive"……...74

3.6.3.1 Sub-theme one: "We don't sleep"……..74

3.6.3.2 Sub-theme two: "My back is sore" ……...76

3.6.3.3 Sub-theme three: "It is very hot"…….....78

3.6.3.4 Conclusion on Theme "It is tiring and exhaustive"……...79

3.7 SUMMARY…….....80

CHAPTER FOUR REVIEW, LIMITATIONS, IMPLICATIONS, RECOMMENDATIONS, AND CONCLUSION OF THE STUDY

4.1 INTRODUCTION…….....81

4.2 REVIEW OF FINDINGS…….....81

4.3 LIMITATIONS OF THE STUDY…….....85

4.3.1 Language……...85

4.3.2 Time……..85

4.3.3 Validation……..85

4.4 IMPLICATIONS FOR NURSING PRACTICE…….....85

4.5 CONCLUSION…….....86

4.6 RECOMMENDATIONS…….....88

4.6.1 Recommendations for nursing education…….88

4.6.2 Recommendations for further nursing research……88

4.6.3 Recommendations for nursing practice……89

4.7 SUMMARY……..89

REFERENCES…….....90

APPENDICES:

APPENDIX A: Information sheet ……104

APPENDIX B: Voluntary consent to participate in study……...105

APPENDIX C: Voluntary consent for tape recording…….106

APPENDIX D: Interview schedule…….107

APPENDIX E: University post graduate clearance letter……108

APPENDIX F: Human research ethics committee's clearance certificate……..109

APPENDIX G: Gauteng provincial research committee's clearance letter…….....110

APPENDIX H: CHB Hospital's acceptance letter……..112

APPENDIX I: Excerpts from the interview transcripts…….....113

APPENDIX J: Significant statements……..130

APPENDIX K: Examples of formulated meanings…….133

APPENDIX L: WHO's permission to use its picture……..133

LIST OF TABLES AND FIGURES

TABLE 3.1: A profile of the participants……...47

TABLE 3.2: Themes and sub-themes…….54

FIGURE 3.1: Maternal-infant attachment……68

FIGURE 3.2: Position of sleep and rest……...76

FIGURE 3.3: Fatigue……80
