Perceived Usefulness & Perceived Ease-of-Use Questionnaire (summary)

1. Using the Electronic Data Collection application in my job would enable me to accomplish tasks more quickly.

likely							**unlikely**
extremely	quite	slightly	neither	slightly	quite	extremely	
7	6	5	4	3	2	1	

2. Using the Electronic Data Collection application would improve my job performance.

likely							**unlikely**
extremely	quite	slightly	neither	slightly	quite	extremely	
7	6	5	4	3	2	1	

3. Using the Electronic Data Collection application would increase my productivity.

likely							**unlikely**
extremely	quite	slightly	neither	slightly	quite	extremely	
7	6	5	4	3	2	1	

4. Using the Electronic Data Collection application would enhance my effectiveness on the job.

likely							**unlikely**
extremely	quite	slightly	neither	slightly	quite	extremely	
7	6	5	4	3	2	1	

5. Using the Electronic Data Collection application would make it easier to do my job.

likely							**unlikely**
extremely	quite	slightly	neither	slightly	quite	extremely	
7	6	5	4	3	2	1	

6. I would find the Electronic Data Collection application useful in my job.

likely							**unlikely**
extremely	quite	slightly	neither	slightly	quite	extremely	
7	6	5	4	3	2	1	

7. Learning to operate the Electronic Data Collection application would be easy for me.

likely							**unlikely**
extremely	quite	slightly	neither	slightly	quite	extremely	
7	6	5	4	3	2	1	

8. I would find it easy to get the Electronic Data Collection application to do what I want it to do.

likely							**unlikely**
extremely	quite	slightly	neither	slightly	quite	extremely	
7	6	5	4	3	2	1	

9. My interaction with the Electronic Data Collection application would be clear and understandable.

likely							**unlikely**
extremely	quite	slightly	neither	slightly	quite	extremely	
7	6	5	4	3	2	1	

10. I would find the Electronic Data Collection application to be flexible to interact with.

likely							**unlikely**
extremely	quite	slightly	neither	slightly	quite	extremely	
7	6	5	4	3	2	1	

11. It would be easy for me to become skilful at using the Electronic Data Collection application.

likely							**unlikely**
extremely	quite	slightly	neither	slightly	quite	extremely	
7	6	5	4	3	2	1	

12. I would find the Electronic Data Collection application easy to use.

likely							**unlikely**
extremely	quite	slightly	neither	slightly	quite	extremely	
7	6	5	4	3	2	1
