ACKNOWLEDGEMENTS

Firstly, I would like to thank God, for guiding me through to be where I am today and also i would like to express my utmost gratitude to the following people:

My supervisors, ***Prof. Iakovos Sigalas*** *and* ***Dr. Mathias Herrmann****, for their unwavering and patient support throughout this work, their humanity and sensitivity to my personal needs, it's been a blessing to work with you.*

My friends and colleagues, in the School of Chemical and Metallurgical Engineering and at Element Six Pty Ltd, thank you all.

My partner, ***Sabina Chimanga****, i cannot find the words, but you know better than everyone else and that is all that matters. Thank you a lot for proof-reading this work over and over again. My son,* ***Darren****, thank you for the little hugs, being in those tiny arms of yours gave me reason to look forward to the next day.*

My family, thank you for believing in me and being there for me when I needed you the most!
