I Michelle Wecke, am a student registered for the course Master of Architecture [Professional] in the year 2009. I hereby declare the following:
I am aware that plagiarism [the use someone else's work without permission and/or without acknowledging the original sources] is wrong. I confirm that the work submitted for assessment for the above course is my own unaided work except where I have stated explicitly otherwise. I have followed the required conventions in referencing thoughts, ideas, and visual materials of others. For this purpose, I have referred to the Graduate School of Engineering and the Built Environment style guide. I understand that the University of the Witwatersrand may take disciplinary action against me if there is belief that this is not my unaided work or that I have failed to acknowledge the source of the ideas or words in my work.
