SYMPOSIUM

A Journal of Education for Southern Africa 1963-4

CONTRIBUTIONS

may be submitted with a view to publication. They should be addressed to

The Editor,
Symposium,
Johannesburg College of Education,
17 Hoofd Street,
Braamfontein,
Johannesburg.

It is policy to require support for assertions and evidence for criticism. Ideas or facts rather than people should be subjected to criticism.

The Editorial Board expresses itself only in editorial comment. Contributors have a right to private and opposed views, for which the Board is not responsible. We believe in giving hospitality to all points of view that are well presented.

We welcome contributions from Afrikaans educationists, as from other non-English-speaking peoples in Southern Africa, providing their work is submitted in, or may be translated into English, which is the medium of this Journal.

SYMPOSIUM

is published under the aegis of the College of Education, Johannesburg.

SYMPOSIUM

offers a platform for the intelligent and open discussion of all matters affecting education, in the belief that free debate will foster the type of individual accustomed to decision and hence capable of adapting himself to the future and promoting the best interests of his community.

SYMPOSIUM

considers contributions from all who are engaged in teaching, whether they work in Universities, State Schools, Private Schools or Religious Institutions. It seeks to serve the people of Southern Africa, including the Protectorates.

SYMPOSIUM

is one of the activities of *The Symposium Group*, an association of educationists in schools, colleges, universities, commerce, industry, research institutions and similar bodies, which seek to stimulate professionally and publicly an informed interest in educational problems.

ACKNOWLEDGEMENTS

The Symposium Group is grateful to the following for their co-operation, encouragement or help:

The City Council of Johannesburg for support both moral and financial;

The Sir Ernest Oppenheimer Trust;

Certain other organisations whose wish is to remain anonymous;

All the advertisers;

All those organisations and individuals who supported the Conference on Programmed Instruction and the programming seminars.

History...

TEST YOUR KNOWLEDGE

★ In what year did Napoleon III marry his blushing bride, Eugenie?

★ When did Bismarck have his big 38th birthday party?

★ When was the firm "Juta & Co." established in South Africa?

Clue: All three of these historical events took place in the same year.
