KITCHING FOSSIL EXPLORATION CENTRE

Experience the thrill of finding a fossil in the ancient rivers of the Karoo.

Relive the prehistoric Karoo as preserved in the Nieu-Bethesda river bed and reconstructed in the Kitchen Fossil Exploration Centre.

See:

- Real fossils in the true Karoo
- Life-sized models of animals that lived before the dinosaurs
- Reconstructive of 250 million year old environments
- Hand-carved fossil replicas

PLUS:

- How a fossil is formed
- The catastrophe that destroyed more than 90% of life on Earth
- One of the world's greatest palaeontologists from Nieu-Bethesda
