As a result of careful analysis of the functional, perceptual, and interpretive aspects of communcation, EDL's various programmes and techniques have been designed to provide instruction, training, or guidance in one or more of the twelve key areas listed below:

1. Perceptual Accuracy
   Accurate identification, meaningful recognition,and heightened retention of visual and auditory material.
2. Visual Efficiency
   Binocular co-ordination, ocular motility, left-to-right attack.
3. Word Knowledge
   Sensitivity to word meanings and usage in context, and skill in using context clues.
4. Word Attack Skills
   The use of structural and phonetic skills to analyze and recognize new words.
5. Comprehension Fundamentals
   The ability to recall, understand, and associate on a literal level.
6. Interpretation of Meaning
   The ability to infer, predict, compare, conclude, visualize, sense, and in other ways extend beyond what is stated.
7. Analytical Reading and Listening
   Awareness of the form, structure, and detail of sentence patterns, paragraphs, clusters of paragraphs, and entire selections.
8. Critical Reading and Listening
   Ability to judge or evaluate the relevancy, accuracy, validity, and significance of information.
9. Appreciation
   The development of sensitivity, interest, taste, and awareness of aesthetic values.
10. Reference Skills
    The ability to locate information and use resource materials, libraries, or other information storage facilities.
11. Selective Reading
    The ability to skim and scan or read partially to satisfy certain informational needs.
12. Reading and Listening Study Habits
    The acquisition of approaches and attitudes necessary for effective learning.

SYMPOSIUM

A JOURNAL OF EDUCATION FOR SOUTHERN AFRICA

1969—1970

LIBERTY LIFE
LANGUAGE CENTRE
Donated by N. Blight
1998

SYMPOSIUM offers a platform for the discussion of all matters affecting education.

The Editorial Board invites contributions from all who are involved in education in any way whatsoever, particularly from those who work in Universities, Institutes of Higher Education, and in Schools, of whatever type and background.

Contributions may be submitted for the consideration of the Editorial Board, and should be addressed to:

The Editor,
Journal of Education SYMPOSIUM,
Johannesburg College of Education,
17 Hoofd Street,
Braamfontein,
Johannesburg.

The Editorial Board expresses its grateful appreciation to the following:

The Witwatersrand Council of Education for its generous support both financial and moral.

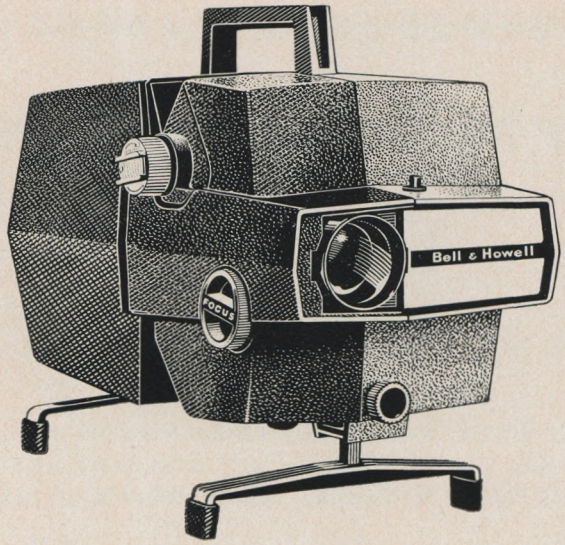

The authors of articles published herein, or submitted for publication, and not included — mainly because of lack of space.

Last, but by no manner of means least, all our advertisers, without whose support, and faith in our purpose, this issue would never have appeared.

PRINTED BY PACIFIC PRESS (PTY.) LTD., 302 FOX STREET, JEPPE, JOHANNESBURG.
