Introduce the survey

My name is Faith Dube and I am from Wits University. I am conducting my research for my Master of Science in Development Planning.

My study is focusing on the decision-making processes within a CID; your participation in this study will be appreciated. I have chosen to involve people who are key players (the involved and the affected) in the CID and you were selected.

- I am trying to understand how CID is established, how is it managed and how decisions are made within the CID.

I have some questions that I wish to ask you about your involvement in the establishment of Legae La Rona taking 30 to 45 minutes of your time; we can do it now or make an appointment.

ALL INFORMATION THAT YOU PROVIDE WILL BE CONFIDENTIAL
