TRANSVAAL TEACHERS' ASSOCIATION

(FOUNDED 1904)

What the T.T.A. stands for :

(1) Progressive Education — the Education Committee studies all the latest movements in education.

(2) Professional Responsibility — the T.T.A. works towards an enhanced status for the profession.

(3) Liberal outlook in education — our interests go beyond a purely narrow education. We oppose reactionary policies.

(4) Improved conditions of service — this embraces salaries, leave privileges, pensions, schools, etc.

The T.T.A. is NOT a sectional association. It caters for all branches of the profession; college of education lecturers; high school and primary school teachers, and married women teachers.

What the T.T.A. offers you :

(1) The services of a full-time General Secretary.

(2) Easy approach to the Education Department with your difficulties.

(3) Legal defence in matters of professional interest — a strong Fund is available when needed.

(4) A Benevolent Fund to help members in cases of distress, illness or sudden emergency.

(5) A permanent headquarters at 134 Loveday Street.

(6) The "Transvaal Educational News" — official organ of the Association and a forum of progressive educational thought.
