29 February 2016

Dear Mr Naicker,

Candidate: Miss Matshane Lydia Masemola (318065)

Degree: PhD (Human Genetics)

Title: Epigenetic modification at imprinted loci following alcohol exposure during pre-natal development

Supervisors: Professor Michèle Ramsay and Dr Zane Lombard

The comments of the examiners were helpful and have improved the thesis. The extensive and thorough corrections and clarifications that were made by Ms Matshane Masemola are appended.

The supervisors have both indicated that they are satisfied that the comments of the reviewers have been addressed by the student and I therefore approve the submission of the above PhD thesis.

Yours sincerely,

29/02/16: 08.41

Amanda Krause, MBBCh, PhD
Medical Geneticist
Head of Division: Human Genetics
