

Shailendra R. Njitimana (Student number: 690633)

CORRECTIONS DOCUMENT

Examiner's comment	Correction made	Page number
PRELIMINARIES: Please note that the declaration has not been signed by the candidate. According to submission guidelines this page must be signed, please ensure this is done for the final submission	Declaration page signed	Page ii
CHAPTER ONE <u>Statement of the problem</u> It is not clear what the candidate is stating as the problems to be solved through the study.	Problem clearly stated using the recommended wording.	Page 3, par 5, lines 2 and 3
<u>Purpose of study</u> Please add the purpose of the study	The purpose of the study has been added	Page 4, par 1, lines 1 and 2

CHAPTER THREE <u>Ethical considerations</u> Please note that it is required to state where the data will be stored.	Statement added to state where the data will be added	Page 45, par 4, lines 1 and 2
CHAPTER FOUR Figure 4.1 is difficult to interpret, as the type of line graph is usually used for progression through time. I recommend changing it to a stacked column graph, where each bar represents a participant	Figure 4.1 has been separated into two column graphs (4.1 and 4.2) The labels of all subsequent figures have been renamed accordingly in chapter 4 as well as in chapter 5 where they are referenced to in the discussion	Pages 62 and 63 Throughout chapters 4 and 5
CHAPTER FIVE In 5.4.2.5 Motivation: A link can also be made between the decreased ability of children with cognitive deficits, possibly due to HIV/AIDS, may have reduced ability to pay attention, which affect their motivation to persist through activities. Also, because of HIV/AIDS illness, the children may have difficulty sustaining energy through activities	Suggested link made between the ability to pay attention and motivation, as well as between the having reduced energy to sustain physical activity due to HIV/AIDS illness	Page 94, par 2

REFERENCES Please check spacing for references 36, 53, 56 and 66	Spacing corrected in the respective references	Pages 118 - 124
APPENDICES Please start appendices on a new page	Appendices started on a new page	Page 125
Page 126 is blank, please remove	Page 126 removed	Page removed
