My thanks to Dr Julie Kate Seirlis - this thesis would not have been possible without your supervision and mentoring. Thanks also to Gerard Bester for your friendship and incisive feedback, to Dr Andre Czeglédy for your guidance and encouragement, to the MIDM dancers for your generosity and trust, to Gregory Maqoma for allowing me into your work, and to all other participants in this research. Thanks to Sylvia Glasser, Adrienne Sichel, Tammy Ballantyne and Samantha Saevitzon for your feedback on early drafts of sections of this thesis, and to Mike van Graan for the example you set in saying what needs to be said. Professor David Coplan was the official supervisor on this thesis – thank you for introducing me to performance anthropology.
