ACKNOWLEDGEMENTS

I acknowledge Sarah Key, my first supervisor for her encouragement, commitment and generous allocation of time, both in Johannesburg and Polokwane.

I acknowledge Dr. Jane Castle who moved me swiftly and surely to complete my Research Report this year.

My gratitude goes to my friends who nagged me and to Bob James for his CD 'Hands Down'. It kept me going.

The warm memories of the staff of the Company remained a compelling incentive for me to record our experience.
