Responses to MMED

EXAMINER 1

Spelling and grammar	I have used a proof reader to correct the grammar mistakes and have made certain to use British spelling.

Responses to MMED

EXAMINER 2

1. Abstract : Methods (page III)	I have revised the sentence as recommended
2. Abstract : Results (page IV)	I have explained how the prevalence rate of 2% was obtained from a total 2576 skin biopsies.
3. Abbreviations (page X)	I have rearranged the abbreviations into alphabetical order.
4. References (page 49)	I have correctly capitalised the journal titles.
