ACKNOWLEDGEMENTS

I would like to acknowledge and thank the following people:

Professor T. V. Mayekiso, my supervisor and mentor, for her support, guidance, assistance, advise, and meticulous editing skills.
My friends and family for their support, patience and understanding.
My fiancé, for his endless support and beliefs in my ability.
The financial support received from the University of the Witwatersrand (postgraduate merit award, as well as some funding towards the expenses of my research), and to my father without whose financial support the fulfillment of this degree would not have been possible.
Thandi Buso for transcribing my interview tapes so efficiently.
Sister Georgina, the founder and ARV manager of the Home Community-Based Care division of the Tapologo HIV/AIDS Programme.
All of the participants that took part in this study. Thank you for sharing your stories and experiences with me.
