

DEDICATION

To Panashe Nigel Nyanda and Leanne Mufaro Nyanda, those that I sired; without whose consent I would not have ventured into this journey of madness. You have been inspirational in all that I do and I hope this academic achievement will inspire you to dare to do the seemingly impossible in life.

To my mother Gladys Nyanda (VamaMoyo) who has always believed in me.

To the next generation of the Nyanda family; a challenge has been thrust upon you!
