Re': Application to Undertake Research at the Department of Social Development
Proposal: "An Analysis of community participation in income generating projects at the Tembisa / Kempton Park Development Centre".

The telephonic conversation between us as well your application to undertake research at the Department of Social Development refers.

We wish to thank you for showing interest in undertaking research at the Department of Social Development. The Research Unit would be delighted to assist you with your research with the recognition that such an undertaking will add value to the field of Social Work, in particular to the services at the Development Centres. We take pleasure in advising the following:

- Your request to undertake research is granted upon the following conditions:
  - A copy of your final research report will be availed to the Department

The co-ordination of your Research within the Department will be managed by this Sub-Directorate as arrangements will need to be made internally to provide you with the necessary assistance and support that you require. We need to meet with you at a scheduled time to confirm specifics of the nature of support and assistance that you require from the Research Unit, especially in terms of the target and sample for the research, the time lines attached to this, etc.

The Research Unit wishes you well in your endeavours. Please do not hesitate to contact me should you require any further information.

Regards,

Mrs Shamona Kandia
