Kidney transplantation in Africa – workforce, capabilities, and perceived barriers

Cite | Download (184.5 kB) | Share | Embed | + Collect | •••

Dataset posted on 2025-06-09, 12:49 authored by Malcolm Davies, Malcolm Davies

This database of African Association of Nephrology (AFRAN) members was collected under conditions of anonymous voluntary participation using AFRAN SoME (social media) platforms. The database describes training and clinical practice in kidney transplantation, local transplantation programme capability, and perceived barriers to kidney transplantation on the African continent
