RE: CONFIRMATION OF ACCREDITATION STATUS

This letter serves to confirm that Social and Health Sciences (SaHS) adheres to the rules of publication set out by the Department of Higher Education.

This includes that all relevant contributions to the SaHS are subject to double-blind peer review by two experts in the field, prior to acceptance.

Furthermore, each published issue of the journal adheres to the 25–75% rule, which stipulates that 75% of contributions emanate from multiple institutions.

Please contact me, should you have any further queries.

Yours sincerely,

Nick Malherbe
