RE: LETTER TO DEPARTMENTAL PROGRAMME MANAGERS ON HIV/AIDS WORKPLACE PROGRAMME

I, Dr Liz Floyd, Director: Multi-Sectoral AIDS Unit is aware of the contents of the research proposal the researcher, Mrs LH Moeng is planning to undertake within Gauteng Provincial Government departments on HIV/AIDS workplace programme. The research is done for the Masters Degree qualification with Wits University and will assist the Multisectoral Unit within the Department of Health a great deal in finding out what challenges do the programme has and how to tackle these challenges in order to maximize the impact of HIV/AIDS workplace programme.

It is therefore, requested that departments expect questionnaire that will be sent to HIV/AIDS Workplace programme managers by the researcher during this month. It is further requested that programme managers donate an hour of their time to answer questionnaire. The researcher will be in communication with the programme managers soon.

Thank you in advance for your cooperation.

Yours sincerely

E Floyd 19 October 07
