University of the Witwatersrand**

Dear Prof. Szabo

RE: RESEARCH REPORT – DR. H.A DIAR

This is to confirm that I am satisfied with the changes that Dr. Diar has made to his research report entitled "FACTORS ASSOCIATED WITH CYTOMEGALOVIRUS (CMV) INFECTION IN NEONATES" in response to the examiner's comments.

I therefore recommend awarding of the MMED degree.

Yours sincerely

A handwritten signature in black ink, appearing to be "P.A. Cooper", with a long horizontal line extending to the right.

PROF. P.A COOPER

Academic Head

Department of Paediatrics and Child Health

University of the Witwatersrand and CM Johannesburg Academic Hospital
