TO WHOM IT MAY CONCERN

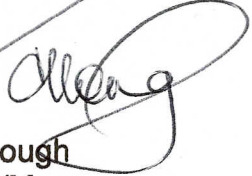

This letter serves to give permission to Dr Dafni Zisis to conduct her assessment on the needs of persons aged 65 and older.

This will take the form of personal and confidential interviews to which the person in question has given their permission.

The interviewees will remain anonymous.

Persons taking part in these interviews do so of their own free will and may cancel if they so decide. It is purely for research purposes and not for financial gain by any parties involved.

No medications will be prescribed during the interview process.
