CHAPTER 11

APPENDIX 1

SPECIFICATIONS OF MAXEPA *

Appearance:	Bland, Pale coloured oil
Iodine:	190 minimum
Free Fatty Acids:	0.1% maximum
Cold Test @ 0 degree C:	Minimum 2 hours
Vitamin A:	Less than 100 IU per gram
Vitamin D:	Less than 15 IU per gram
Vitamin E:	1 IU per gram
Eicosapentaenoic Acid (EPA):	18% minimum
Docosahexaenoic Acid (DHA):	12% minimum
Total Omega-3 Fatty Acids:	30% minimum
Total Omega 6- Fatty Acids:	3% approximately
Omega-3/Omega-6 Ratio:	10:1

* MaxEPA is the Registered Trade mark of Marfleet Refining Company Limited, Hull,

England, and their Associated Company, Seven Seas Health Care Limited.

Author Chetty N
Name of thesis Drug and dietary modification of platelet function 1985
