Acknowledgments

I would like to firstly thank every member of my family for their support throughout this year and throughout my life. Their encouragement and belief in me has fuelled the desire I have to make a change in young people's lives. I would like to especially thank my parents for the sacrifices they have made to make my dreams come true.

Secondly I would like to thank my partner for his words of encouragement in times of doubt and his unwavering support.

Thirdly I would like to thank Wits University and those in the educational psychology department for providing me with this opportunity.

Fourthly I would like to thank the case study school and all the participants for their involvement in this study.

Lastly I would like to thank my supervisor and mentor, Dr. Zaytoon Amod who has nurtured my dream, encouraged me and guided me throughout this year.
