Declaration	i
Acknowledgements	ii
Abstract	iii
Chapter 1: Background to the Study	1
1.1 Introduction	1
1.2 The increase in death rates in South Africa	1
1.2.1 Non-natural deaths	2
1.2.2 Natural deaths	2
1.3 Death rates and children in South Africa	3
1.4 Projects and services available to orphans	4
1.5 The impact of death on children	5
1.6 Meeting the psychological needs of orphans	6
1.7 Conclusion	6
Chapter 2: Literature Review	8
2.1 Introduction	8
2.2 Loss, Bereavement, Grief and Mourning	8
2.2.1 Loss	8
2.2.2 Bereavement.	9
2.2.3 Grief	9
2.2.4 Mourning	9
2.3 Children and Death	10
2.3.1 Helping children understand death: The role of caregivers	10
2.3.2 Children's understanding of death.	12
2.4 The African perspective of Death	14
2.5 Stages or phases of grief	15
2.5.1 The Stages Model of Loss	15

2.5.1.1	Shock and Denial	16
2.5.1.2	Anger	16
2.5.1.3	Guilt or Bargaining	16
2.5.1.4	Depression	17
2.5.1.5	Acceptance	17
2.5.2	The Task Model of Loss	18
2.6	'Normal' Grief Reactions	19
2.7	Complicated Grief	21
2.8	The Effects of Bereavement on Children	23
2.9	Group Therapy with Grieving Children	25
2.10	Training Programmes with Volunteers	27
2.10.1	The need for lay counsellors in South Africa	27
2.10.2	The training of lay counsellors	28
	a. The definition of training	28
	b. The roles of the trainer and the trainee	29
	c. The trainer	29
	d. The trainees	30
	e. The training programme	30
	f. The elements of a Bereavement Training Programme	31
	g. Evaluation of the training programme	32
2.11	Conclusion	32
 Chapter 3: The Study		34
3.1	Introduction	34
3.2	Rationale for the study	34
3.3	Research context: The Community Centre.	35
3.4	The Aim of the Study	36
3.4.1	General Aim	36
3.4.2	Specific aims	36
3.4.3	The Research questions	36
3.5	Method	37

3.5.1 TheSample	37
3.5.2 Measures	39
i. Pre-training measures	39
a. Biographical Questionnaire	39
b. The Initial Guided Interview	39
c. The Case Example	40
ii. Post-training measures	40
a. The Interview	40
b. The Second Case Example	40
3.6 Procedure	40
3.6.1 Permission for the research	40
3.6.2 Ethical Considerations	41
3.6.3 Pre-training research protocol	41
a. Interviews	41
b. Case Example	42
3.6.4 The Training Programme	42
The Bereavement Programme	43
3.6.5 Post-training Research Protocol	44
a. Case Example	44
b. Follow-up guided interviews	44
3.7 Research Design	45
3.8 Data Analysis	45
3.9 Limitations of the Research Methodology	46
Chapter 4: Results	47
4.1 Introduction	47
4.2 Descriptive Analysis.	47
4.2.1 The sample of volunteers	47
4.3 Volunteer responses to the training	48
4.3.1 Volunteer 1	48
4.3.2 Volunteer 2	49

4.3.3	Volunteer 3	50
4.3.4	Volunteer 4	51
4.3.5	Volunteer 5	52
4.3.6	Volunteer 6	53
4.3.7	Volunteer 7	54
4.3.8	Volunteer 8	55
4.3.9	Volunteer 9	56
4.3.10	Volunteer 10	56
4.3.11	Summary of Pre- and Post-training interview responses	57
4.4	Thematic Analysis of the results	58
4.4.1	Pre-training responses	59
	Question 1	59
	Question 2	60
	Question 3	61
	Question 4	62
	Question 5	62
	Question 6	63
4.4.2	Summary of the pre-training themes	63
4.4.3	Post-training responses	64
	Question 1	64
	Question 2	64
	Question 3	65
	Question 4	66
	Question 5	66
	Question 6	66
4.4.4	Summary of the post-training themes	67
4.5	Summary of the results	69

Chapter 5: Discussion	70
5.1 Introduction	70
5.2 The volunteers	70
5.2.1 Language	71
5.2.2 Age	73
5.2.3 Education level	73
5.2.4 Personal experiences of death	74
5.3 The training programme	75
5.3.1 Varied learning experiences	75
5.3.2 Time	76
5.3.2 Size of the group	77
5.4 Outcomes of the study	77
5.4.1 The revision of the Bereavement Programme for children	77
a. Cultural considerations	78
b. Practical issues	79
c. Activities or exercises	80
5.4.2 The need for supervision	82
5.4.3 Inclusion of HIV/AIDS awareness in the bereavement programme	82
5.5 Limitations of the present study	83
5.5.1 Small sample size	83
5.5.2 Limited time with each volunteer	84
5.5.3 Validity of the measures	84
5.5.4 The use of 'real' clients	84
5.6 Implications of the current study	85
5.6.1 Selection criteria of volunteers	85
5.6.2 The training programme	85
5.6.3 The need for supervision	85
5.7 Recommendations for future research	86
5.7.1 The Bereavement Programme for children	86
5.7.2 Children's experience of death in the South African context	86
5.8 Conclusion	86

Reference List	88
List of Appendices.	93
Appendix A Biographical Questionnaire	93
Appendix B Guided Interview	95
Appendix C Case Example	96
Appendix D Second Case Example	97
Appendix E Consent Form	98
Appendix F Permission for tape-recording interviews.	99
Appendix G The Bereavement Programme for Children	100
Appendix H Table of Pre- and Post-training responses for volunteers (1-10)	112
