

APPENDIX A3

CAREGIVER AND CHILD SCALE

Listed below are some statements that describe your relationship with your child and your feelings towards your child. This questionnaire asks you to indicate how strongly you agree or disagree with each of these statements. There are no right or wrong answers.

Please circle the statement that best describes how strongly you agree or disagree with each of the statements. You may not find a statement that exactly describes your feelings or opinions, so you need to circle the statement that comes closest to describing how you feel. Your first reaction to each statement should be your answer.
