DEDICATION

This work is dedicated to my parents Engr. Pius and Mrs Esther Okpa, and to my entire family for the loving support and encouragement throughout the period of my studies.

ACKNOWLEDGMENT

I would like to acknowledge all those who in one way or another have assisted me towards the final completion of this research report.

I wish to acknowledge the University of the Witwatersrand for the financial support given to me (Post-graduate Merit Award) to undertake this work. I wish to also thank my supervisor and lecturers whose guidelines helped me in achieving this work.

My thanks also go to my interviewees who collaborated with me during my fieldwork but chose to remain anonymous.

Finally I wish to thank my friends and colleagues.
