Correction/change suggested	Done/Not done	Page
Methodological considerations Mention strengths, weaknesses and considerations and reflection on methodological approach	Section added in “reflections on methodological approach”	Page 52
Change “random selection” to “non-probability convenient sampling design”	Change made to correct sampling design	Page 50
Specific recommendations		
Page 1 - Change “impress” to “impress upon them”	Correction made to	Page 1
Page 5 – add “who” too “the poor who will be”	Correction made	Page 9
Page 13, 21, 26 – remove or move paragraphs mentioning findings of current study	Removed reference to study group being affected by media	Page 17
	Removed reference to findings about infrastructure affecting study group	Page 25
	Removed lines referring to goals of current study	32
Page 28 – change “aged” to “ages”	Typing mistake corrected	Page 32
Page 43 – reference missing	Fixed reference	Page 48

<p>Page 45 – Change “random selection” to “non-probability convenient sampling design”</p>	<p>Changes made to reflect correct sampling design</p>	<p>Page 50</p>
<p>Page 67 and the word “In” to begin sentence as “In a study done...”</p>	<p>Correction made</p>	<p>Page 72</p>
<p>Page 68 – add more detail and clarification and context to device ownership</p>	<p>This was not really part of the study and is going beyond scope. Device ownership was merely presented to illustrate “connectedness” of students</p>
