Dear Dr Madiebo

**Approval of protocol entitled The medical students' perceptions and attitudes to the role of doctors in tobacco cessation programs**

I should like to advise you that the protocol and title that you have submitted for the degree of Master Of Public Health (Full-Time) have been approved by the Postgraduate Committee at its recent meeting. Please remember that any amendment to this title has to be endorsed by your Head of Department and formally approved by the Postgraduate Committee.

Dr Y Saloojee has/have been appointed as your supervisor/s. Please maintain regular contact with your supervisor who must be kept advised of your progress.

Please note that approval by the Postgraduate Committee is always given subject to permission from the relevant Ethics Committee, and a copy of your clearance certificate should be lodged with the Faculty Office as soon as possible, if this has not already been done.

Yours sincerely

S Benn (Mrs)
