Wits School of Arts

17 April 2007

The Ethics Committee  
Research Office  
University of the Witwatersrand

Permission to conduct research

This serves as a formal consent that Ayanda Kabelo Khala (0113082k) has received permission to use information gathered in her observation and participation in the Performances Studies One course: Self, Play, Imagination and Story, starting February to November 2007, as ethnographic research. The researcher will follow the necessary ethics procedures should she choose to interview the students involved.

Regards

Warren Nebe  
Drama Head of Department
